I. Welcome

Call the meeting to order at 7:02 pm Pacific Time.

We are at the midpoint of our terms, it is time for us to review and reflect and celebrate what we have done thus far.

II. Approval of Minutes:

Motion to approve: Zane

Seconded: Sobe

Minutes have been approved.

III. Executive Officer Updates

Katherine: Does anyone have any updates?

President: Katherine Esther Almendarez	Cindy and I will be sending out applications for a new D&I chair tomorrow. In the meantime, we will be managing the work.
EVP: Sam Harrison	
CEPO: Cindy Lay	
VPSA: Amadeo Cantu-Trevino	Theo, you have my support, don't be a stranger. Quantum halloween this thursday. Pitzer event this saturday. We might lend them our crash barricades for saturday instead of giving them money. More events will be coming from CMC and with the other 4C's. Monte Carlo is Saturday the 20th. Mistletoe Rock, Thursday December 2nd, Pomona is Yuleball December 4th. Last party of the year will be the first year/sophomore prom December 12.
CFO: Desmond Mantle	
D&I: Theo Siasat	I spoke to DOS and a lot of my friends, and after a lot of deliberation, I will be resigning from ASCMC. I love this board and a lot of our student body. Planning fall break, managing my constitutional duties, and being a sophomore and new to the campus really took everything out of me. Fall break took so much out of me, I felt more like an employee of the college than a student. I am choosing my mental health, and to be a student and try to enjoy the rest of the year. Alternative fall break happened. Zane had to pay out of pocket for one thing.
VPCO: Jon Joey Telebrico	
Comptroller: Peyton Ogasawara	
COO (VOO): Caroline Bullock	
Class of 2024 President:	

Zane Yamamoto	
Class of 2023 President : Amari Huang	
Class of 2022 President: Sobechukwu Uwajeh	Thank you to the underclassmen for your work for 200 days! We couldn't have done it without you. Our ASCMC retreat is November 7th, we will be gone until at least 9pm. Bring bathing suits. It will be both educational and hardcore bonding.
Class of 2025 President: Addison Reddinger	
Presidential Advisor on Mental Health: Josh Nagra	
Presidential Advisor on Campus Reopening & Culture: Nisha Singh	
Presidential Advisor on Low Income Student Advocacy: Adamaris Sanchez	
AAA Committee Chair: Michael Gadinis	
Environmental Affairs Committee Chair: Nicole Jonassen	
Academic Affairs Chair: Sam Bogen	Theo, I'm incredibly happy you are choosing yourself, but that said, don't let that take away the incredible job you did. You went above and beyond, and changed so many students' lives. <3
Community Service Chair: Kirby Kimball	

<p>Student Life Chair: Tyler Craigwell</p>	
<p>RA Liason: Anna Green and Eric Warmoth</p>	
<p>DAC Chair: Christinia Campbell</p>	<p>In response to the letter we sent out, I met with the dean and we are working to get advocates number on the back of our ID cards.</p>

IV. Half-term Analysis for ASCMC Officers

Katherine: After splitting up into small groups, members of the executive board will share inputs and reflections from the first term as ASCMC officers from other officers.

Addison: Time management, we are struggling with time management, I am trying to help others and balance all the things that I have to do.

Sam: I need to work on planning Senate earlier.

Sobe: I am terrible at delegating tasks to my cabinet members, I need to utilize them more.

Jon Joey: Better streamlining my lines of communication. I try to be really accessible, but there are times where I can't engage in things. Lots of things in this role are very time sensitive. Consolidating resources for when I am not available. Having better communication.

Katherine: The unstructured part of our job. Since we don't have a designated time to do our job, I feel like we are on call at all times. I am trying to structure hours to work on ASCMC. I recommend people put limits on their ASCMC work, other than it being an emergency. We should be more mindful of our time. Like what Amadeo said in his reflection, it can be difficult to distinguish ourselves from our positions.

What are we proud of other officers in the room?

Desmond: Anna made one of the top 5 budget requests for an event that I have ever received.

Sam B: Peyton has gone beyond the scope of his job to assist with all jobs.

Theo: Caroline has also gone above and beyond.

Christina: Jon Joey is so impressive as a one man show, especially for what he does with affinity groups.

Jon Joey: She has made incredible strides with changing campus culture and has been super mindful about language and the effects on that.

Nisha: Shout out to Theo for planning an alternative break even though that was not your delegated job.

Caroline: Huge shoutout to Amadeo

Amadeo: Shout out to Sam and Kat. Sam is killing it in the Senate. Big shout out to Kat, her story to get to CMC is super amazing, she brings such passion to ASCMC, and actually is making tangible changes on her campaign promises.

Anna: Shout out to planning and executing 200 days so successfully, everyone really thrived.

Katherine: Everyone literally give it up to Josh. Our campus is having a mental health crisis and Josh has done such an incredible job, and gone above and beyond his job as advising. He has created a helpline that is sustainable and will be funded by CMC.

Sobe: Desmond and Cindy. If you have been on ASCMC before, you know how much work it is. Thank you for doing your jobs and being so kind. You have to uphold the constitution and manage the budget but you do so with such grace.

Sam B: Shout out Addison. You got elected the latest of all of us, and you just dove in!

Katherine: I would love to thank my three advisors. I go to you guys for all my ideas. Special shout out to all our class presidents. It is such a difficult transition, and it has been so particular to each class.

Cindy: Shout out Sam Bogen, I think you have really shown that you care so much about CMC, and your role and responsibilities. It is important to see someone advocating for disabilities in academics. Also Desmond has an especially difficult role, and I feel this organization has been really reliant on good CFO's, thank goodness Desmond you are here to hold up our budget and all of us.

The logo for ASCMC (Association of Student Council Members of Columbia) features the acronym "ASCMC" in a serif font, centered between two horizontal maroon bars. Below the bottom bar is a small white icon of a globe with an open book.

Josh: I think we are all forgetting that all of us wouldn't be here if campus hadn't reopened. Shout out Nisha. She has helped us to feel comfortable through the opening of campus.

Katherine: Shout out to Eric. He is going to take us through a successful divestment campaign later this year!
