 Minutes have been approved.

### III. Executive Officer Updates

Katherine: Does anyone have any updates?

President: <b>Katherine Esther Almendarez</b>	We met with MK, debriefed the whole year. I have a presentation to present to the faculty meeting in April.
EVP: <b>Sam Harrison</b>	I'm retired.
CEPO: <b>Cindy Lay</b>	Shout out to Caroline for the new logo.
VPSA: <b>Chris LaRovere &amp; Daniel Hayon</b>	Club Claremont did not go as planned, we had to shut down early due to noise complaints. We have to be more strategic about where we plant the speakers. The towers amplified the speakers. People had fun, the headliners had fun too. The police did come on campus, three times that night. The cops said it wasn't that bad, but that they had to do their job. We cleaned the bubble!!!
CFO: <b>Desmond Mantle</b>	
D&I: <b>Devanshi Guglani</b>	
VPCO: <b>Jon Joey Telebrico</b>	
Comptroller: <b>Peyton Ogasawara</b>	Today during an audit, I found an issue from APAM regarding our policy of \$25 per person. The expense was in December. They spent about \$45 per person, as well as a greater than allowed tip. This was on a CPB card, thus we see it on the back end, when it has already been approved. We contacted the head of APAM, and we need to fix this issue with MK, APAM, and CPB.
COO (VOO): <b>Caroline Bullock</b>	
Class of 2024 President: <b>Zane Yamamoto</b>	
Class of 2023 President :	

<b>Amari Huang</b>	
Class of 2022 President: <b>Sobechukwu Uwajeh</b>	Vegas is canceled. We are working on an alternative, or a rich relative with a large venue. There really is a strong emphasis on night time club drinking events, it would be nice for one of the senior historic marker events to not be centered around drinking. I believe this alternative will be more inclusive because it is not an overnight trip. It will have less equity concerns than a trip to vegas.
Class of 2025 President: <b>Addison Reddinger</b>	
Presidential Advisor on Mental Health: <b>Josh Nagra</b>	
Presidential Advisor on Low Income Student Advocacy: <b>Adamaris Sanchez</b>	
AAA Committee Chair: <b>Michael Gadinis</b>	
Environmental Affairs Committee Chair: <b>Nicole Jonassen</b>	
Academic Affairs Chair: <b>Sam Bogen</b>	Juniors will be allowed to retain their rooms! Can't retain singles or apartments. AK can be retained. Room retention will be discussed in the Senate tomorrow. They will start AK open houses for those to opt into the apartments.
Community Service Chair: <b>Kimi Adler</b>	We had a volunteer event today, 10 people showed up! We spent about 2 hours with them, and after talking with the manager we will be doing this weekly Sunday at 4pm after spring break.
Student Life Chair: <b>Tyler Craigwell</b>	

<p>RA Liaison: <b>Anna Green and Eric Warmoth</b></p>	
<p>DAC Chair: <b>Christinia Campbell</b></p>	
<p>Presidential Adviser on Divestment: <b>Peter Dien</b></p>	<p>Building a Task force, received applications. Working on introducing the task force and creating content about it. We are working to mend past criticisms. The task force will have already present leaders and those applying. We have had applicants.</p>

#### IV. Swear in New Officers

Katherine: The New Officers present within the room will now put their hand on the constitution and be sworn in.

WHOOOP WHOOP!

#### V. Events Debrief

Katherine: Advocates made a couple requests in order to continue lifeguarding parties. There needs to be more sober exec or events members to survey the parties. I think that makes sense, especially if we are hiring an events team to put on the parties. They need more water. Advocates will now be stationed in a specific area. Their station will be announced in a specific area, and exits and entrances of the parties will now be shared with the school as well.

Kirby: I am working on social media for advocates next year, can we broadcast which advocates are life guarding the parties?

Kimi: We can also do more with this on our social media- be it republishing Advocates Instagram, or making their own posts.

Zane: Specific to club Claremont, they wanted more water, and they were not allowed behind the DJ booth so that they couldn't give it to front row people.

Chris: Last night, we had a contract for the artist's protection so that people could not be behind the DJ booth. In the future we will incorporate this into planning.

Josh: Another idea we had was advocates having a first aid kit, but we are unsure if that is something we want to add to their responsibilities.

Sam: All RAs have a large first aid bag.

Sam B: We do have an EMT club we can hire!

Katherine: Advocates requested funding for walkie talkies!

Sobe: I think that is a waste of money, they have cell phones.

Chris: We tried using Walkie Talkies last night- they didn't work.

Desmond: As an android user, I am left out of group chats.

Sam B: 5 Walkie Talkies for \$100-\$150

Christina: Should we instead of going through an events team, should we look at security? Can we look for others to lifeguard the party? The events team is worried about the events working smoothly.

Sam H: It was noted last night that security did not prevent other students from jumping barricades or storming areas.

Kirby: I had 5 people in my grade that have been called into DOS for sharing their ID, they might be penalized for this.

Katherine: RAs were taking photos of IDs, and 4c presidents are sending out an email regarding events and 5c dining. Many actions have been completely disrespectful, and it needs to be changed.
